1. Update Regarding Campus Facilities Projects
   - Mr. Richard reported that many of the problems with the heating systems have been fixed. Most are up and running.
   - Heating systems in the main area of the SUB and the Bevill Center auditorium were not working. Mr. Richard said he would look into purchasing new systems to replace the current 40-year-old systems.
   - The Foundation purchased property by the Science Building, and the College is awaiting Board approval to purchase the property from the Foundation.
   - The LRC received new paint and carpeting. Some areas were not complete, but the crew was expected to return to finish by Thursday or Friday.
   - The agreement for leasing additional space for the bookstore should be finalized this week.

2. Update on Norton Renovation Project
   - The project ran into a problem when it was discovered that what was thought to be a non-load bearing wall was actually a load-bearing wall. A structural change has to be made to the plans. The College is waiting for a cost estimate.
   - The project is still on schedule.

3. Annual report update
   - Dr. Exley will forward the copies of the annual reports that he has.
   - Dr. Miller is working to complete the report from his area.

4. Discussion – “The One Thing”

1. Update Regarding Campus Facilities Projects
   - The Safety & Property Committee will meet Thursday to prioritize a list of projects.
   - A meeting is scheduled for Friday to kick off the sidewalk project.
   - A new scoreboard was installed at the baseball field.
   - Bids for the softball field were opened last week. The bids were very close. The College is looking at considering alternates to the project that will include parking and renovations to the baseball field. The State Board has a work session Thursday, but Dr. Exley said he didn’t know if they would be able to add the project changes to the upcoming board meeting agenda. If it is not approved at the next board meet, the College will move forward with the project without the alternates.
   - The tile has been placed in the data center at the LRC. Some electrical work had been done.

2. Update on Norton Renovation Project
   - Mr. Richard said he received a detailed schedule of the work.
   - The project is about a week behind schedule. According to the progress report, the project is about 17 percent complete.

3. Excellence Statement

1. Update Regarding Campus Facilities Projects
   - Mr. Richard reported on the three speed humps that will be added to College Street to slow traffic. If all goes as expected with this, two speed humps will be added to West Mann Avenue for the same purpose. These are just temporary solutions. A permanent solution will be incorporated as the Master Plan continues to develop.
   - Repairs on the Music Building roof will begin after graduation.
   - A fire pit is being build behind the SUB and should be completed by S Day on April 22.

2. Update on Norton Renovation Project
   - Taking off the roof is the next major step for the project. There will be a lot more activity, but it will stay within the perimeters of the construction site.

3. Excellence Statement
   - Tabled.

4. Website Update
   - The Executive Team decided to set June 28 as the date to have all of the content uploaded.
   - The new site will go live by July 1 and will run along with the old site to work out any issues. Both will run for most of July.
   - The old site will stop running with just the new site up about two weeks before the Fall Semester begins.
   - The Executive Team is to share this with their employees for feedback on this schedule.
5. Tobacco Free Campus
   - Research has been done to investigate what other campuses are doing.
   - The Executive Team recommends that the campus be tobacco-free effective this fall.
   - The recommendation will be presented at the next Exchange on April 29 for employees to give their feedback. Employees will be notified ahead of time that this will be discussed.

New Business

1. Open Discussion
   - The State Board of Education has a work session on April 8. The College’s request to include drainage and parking projects in with the softball project is on the agenda.
   - Dr. Exley presented a status report on the budget.
   - The Executive Team is scheduled to have a group photo made during the photo shoot on April 9.
   - Dr. Exley has developed a form for Executive Team members to complete evaluating the strengths of their employees. He also asked the team to review the forms he completed on each team member for additions. The form will provide direction in reassigning employees as well as provide a resource for the College to better utilize its employees’ skills and talents.
   - The Campus Clean-up Day will be held Friday, April 16. In case of rain, it will be moved to Friday, April 23. Anyone wanting to volunteer should e-mail Vicki Carr. The Safety and Property Committee will meet April 8 to develop a list of jobs that need to be done. Student organizations are also going to be included.
   - Dr. Exley led discussion about commencement. District Court Judge Liles Burke will be the speaker. Joining the Executive Team on the stage will be Judge Burke, Frank McDaniel, Hinton Mitchem, and Alumni President Jon Harbison.
   - The Arab Site task force met April 2. The student success center task force met this week. The housing task force will also meet soon.
   - Mr. Maltbie gave an update on the server room project.
   - Mr. Maltbie is developing an online admission application. He will coordinate the effort with Tonya Haygood and Lesley Kubik.
   - Dr. Exley has selected nine recipients for the Presidential Scholarship. He discussed allowing the students an opportunity to preregister for classes before opening registration for other students.
   - Dr. Exley and Dr. Miller led discussion about the course schedules for the upcoming academic year. It has been decided not to print and mail a full-color, glossy schedule as in the past. The schedule will be online, and a postcard will be sent notifying people that the schedule is available on the website. There was also discussion about whether the College needed to print a few hard copies of the schedule to have available upon request and about an interactive schedule.
   - Dr. Exley informed the Executive Team that Mark has taken on the athletic director duties with Rodney Hampton returning to his Assistant AD/Head Men’s Basketball Coach position.
• Lynn Patterson has been hired as the new bookstore manager and begins April 19.
• The substantive change policy has been adopted and sent to the SACS committee.

   - Discussion was held on who could attend.

3. Open Discussion
   - Dr. Exley led discussion about the “one thing” – which is graduating with an Associate’s degree. Emphasis needs to be placed on the value of a degree. Amanda Harbison and Tonya Haygood have been identifying people who are eligible to graduate and encouraging them to do so. Suggestions included displaying posters on campus that detail the importance of an Associate’s degree and to send an e-mail to students about the value increase of the Pell grant. Dr. Champion will draft the e-mail.
   - A dorm meeting was scheduled for that evening at 6 p.m. Students have asked for access to the second floor terrace. The Executive Team decided to allow them the privilege of using it until someone abuses the privilege.
   - The Student Leadership Institute will be July 15-16. Dr. Champion advised he may need some Snead personnel to assist with this. It will be at the State Park Lodge in Guntersville. Rian Edwards and Ms. Smith are lining up students to attend. Chancellor Freida Hill will be speaking.

3. Excellence Statement
   - Tabled.

4. Website Update
   - Ms. Smith presented a draft of an e-mail to send to employees notifying them of the implementation timeline.
   - The Executive Team agreed to make one change to the timeline. The content will be completely uploaded by June 28. Both the new site and the current site will run concurrently beginning July 1. As of Aug. 16, only the new site will be accessible. This is exactly one week before fall classes begin. This is also the week after summer final exams are given.
   - Ms. Smith will send out to employees weekly reminders between now and June 28 and bi-weekly reminders between June 28 and Aug. 16 of the timeline.
   - Dr. Exley asked that job vacancies be posted on the website individually so people do not have to scroll through one pdf file to view all of the postings. They can only select the posting they are interested in.

5. Tobacco Free Campus
   - Ms. Walker reported on her conversation with Ty Patterson, who will come to the campus on June 21-22 to answer questions and address issues regarding a tobacco free campus.
   - The Executive Team discussed the agenda and potential groups that will need to meet with Mr. Patterson. An open forum will also be held for students and community members. Mr. Patterson will close his time on campus by meeting with the Executive Team.
   - Ms. Walker will develop the agenda and bring it to the Executive Team for approval. She will work with Dr. Champion on notifying students of the meeting. Ms. Smith will handle the communication to employees and the community of the meetings and open forum.

6. Employee Strengths Evaluation
   - The Executive Team need to submit their forms if they haven’t already.

7. 2010-2011 Budget Priority
