ACCS FORMAL COMPLAINT PROCESS

The Alabama Community College System (ACCS) Board of Trustees and Chancellor provide oversight of the State's public two-year community and technical colleges, Marion Military Institute (MMI) and the Alabama Technology Network (ATN).

While most complaints should be handled at the local college level, or with the applicable entity, the ACCS System Office, through the Legal Division, also renders assistance to resolve complaints after all local avenues of resolution have been fully exhausted. If the local avenue of resolution included appeal rights to the ACCS Chancellor, then the Chancellor's decision is deemed final and a complainant may not file a complaint using this process. Each college, MMI and the ATN are charged with providing effective and efficient avenues for employees, community members, and other interested parties to address complaints. The ACCS Formal Complaint Process is not intended to supersede or replace existing processes in place at the local college level.

Complainants seeking to file a report of noncompliance of federal or state law, or system policy should first address the problem by utilizing the local complaint process prior to initiating the ACCS Formal Complaint Process. Complaints of allegation of fraud, malfeasance, presidential misconduct, or other case specific instances, where the local grievance process may not result in an unbiased evaluation, may be filed using the ACCS Formal Complaint Form and will not be required to follow the local complaint process stated above.

Complainants may submit a formal complaint using this process if there is dissatisfaction with the results at the local level, or the complaint deals with allegations of fraud, malfeasance, presidential misconduct, or other case specific instances that necessitate a direct filing through this process. Formal complaints must be submitted on the required ACCS Formal Complaint Form. Complaints may be mailed to:
