• Refunds

Refunds are based on the first official day for the term and are not based on the first class day for individual courses. Prior to the official first day of class, students will receive a full refund when completely withdrawing from college or dropping a class. During the Add/Drop period, when dropping and adding of individual courses is allowed, students may drop a course and receive a full refund for that course and its related fees.

After the Add/Drop period ends, students may receive a partial refund only if they completely withdraw from all classes (both full and mini-term) in which they are enrolled. Refunds for mini terms are based on prorated days. During the first three weeks, refunds for complete withdrawals will be made on the following basis:

- Withdrawal prior to first class day—100 percent of tuition and fees.
- Withdrawal during first week — 75 percent of tuition and fees.
- Withdrawal during second week— 50 percent of tuition and fees.
- Withdrawal during third week— 25 percent of tuition and fees.
- After close of third week— No Refund.

A five (5) percent administrative fee will be assessed for each withdrawal processed within the above refund schedule.

There is no refund due to any student who partially withdraws after the official add/drop period.

A student who officially withdraws after the semester begins may be entitled to a partial refund of room/board charges based on the above refund schedule.

Refunds are computed according to the date the student actually withdraws officially or unofficially and not according to his or her last day of attendance.

For students received VA education benefits, the VA will be notified of a student’s termination or withdrawal within 30 days. VA payments will be suspended based upon the student’s last date of attendance.

TUITION ELIGIBILITY

Residency status must be determined upon admission. A student shall be classified according to one of the following categories for the purpose of assessing tuition: Resident Student, Non-Resident Student Eligible for In-State Tuition Rates, or Out-of-State Student. The burden of proof lies with the applicant in determining residency status.

A student’s residency status will be presumed for one full academic year of his/her most previous enrollment unless there is evidence that the student subsequently has abandoned resident status (for example, registering to vote in another state). A student failing to re-enroll within one full academic year must establish eligibility upon re-enrollment.

The following individuals shall be charged the in-state/in-district rate, or otherwise considered a resident, for tuition purposes:

- A Veteran using educational assistance under either chapter 30 (Montgomery G.I. Bill – Active Duty Program) or chapter 33 (Post-9/11 G.I. Bill), of title 38, United States Code, who lives in the State of Alabama while attending a school located in the State of Alabama (regardless of his/her formal State of residence) and enrolls in the school within three years of discharge from a period of active duty service of 90 days or more.
- Anyone using transferred Post-9/11 GI Bill benefits (38 U.S.C. § 3319) who lives in the State of Alabama while attending a school located in the State of Alabama (regardless of his/her formal State of residence) and enrolls in the school within three years of the transferor’s discharge from a period of active duty service of 90 days or more.
- Anyone described above while he or she remains continuously enrolled (other than during regularly scheduled breaks between courses,

semesters, or terms) at the same school. The person so described must have enrolled in the school prior to the expiration of the three year period following discharge or release as described above and must be using educational benefits under either chapter 30 or chapter 33, of title 38, United States Code.

- Anyone using benefits under the Marine Gunnery Sergeant John David Fry Scholarship (38 U.S.C. § 3311(b)(9)) who lives in Alabama while attending a school located in Alabama (regardless of his/her formal State of residence).
- For students receiving VA benefits, the VA will be notified of your termination or withdrawal within 30 days. VA payments will be suspended upon your last date of attendance for any.
- Anyone using transferred Post-9/11 GI Bill benefits (38 U.S.C. § 3319) who lives in Alabama while attending a school located in Alabama (regardless of his/her formal state of residence) and the transferor is a member of the uniformed service who is serving on active duty.
- The policy shall be read to be amended as necessary to be compliant with the requirements of 38 U.S.C. 3679 as amended.

- **Non-Resident Student Eligible for In-State Tuition Rates**

A non-resident student, one who does not meet the standard of having resided in the State of Alabama for at least 12 continuous months immediately preceding application for admission, shall be charged the in-state tuition rate if the student satisfies one of the following criteria, or, if the student is a dependent (as defined by the Internal Revenue Code), then the person supporting the student satisfies one of the following criteria under the following circumstances:

- The student or the person(s) supporting the student is a full-time permanent employee of Snead State Community College; OR

A student is eligible for in-state tuition if the student resides in one of the following Georgia counties: Chattooga, Floyd, Polk, or Walker.

- **Out-of-State Students**

An out-of-state student is an applicant for admission who does not fall into one of the categories described for in-state tuition eligibility. The out-of-state student shall be charged tuition at 2.00 times the in-state tuition rate, rounded up to the nearest dollar. Students initially classified

as ineligible for resident tuition will retain that classification for tuition purposes until they provide documentation that they have qualified for resident tuition.

FEDERAL FINANCIAL AID

256.840.4107 | FINAID@SNEAD.EDU

All Federal Financial Aid requires that the Free Application for Federal Student Aid (FAFSA) be completed. Applications must be completed online at www.fafsa.ed.gov. The college code for Snead State Community College is 001038. Once processed, the applicant will receive a Student Aid Report (SAR) from the Department of Education and a letter from Snead State that outlines the next steps a student must take to complete the financial aid process. All applicants should have the application completed as soon as possible, after October 1, for consideration of all available aid. It usually takes about 3-4 weeks to complete the process and sign all necessary forms with the Snead State Financial Aid office.

- **Grants**

1. **Federal Pell Grant** - The Federal Pell Grant is an entitlement from the federal government

that does not have to be repaid. Eligibility is based on family income and other factors as determined by the federal government. The amount of an award depends upon the student's eligibility and the cost of attending college.

2. **Federal Supplemental Educational Opportunity Grant** – These grants, commonly referred to as FSEOG, vary in amounts with the minimum award of \$100 each year and do not have to be repaid. Federal Pell Grant recipients with extremely low family contributions receive priority.

- **Federal Work-Study**

The Federal Work-Study (FWS) program is administered through an agreement between Snead State Community College and the Federal Work Study Program. Those interested in employment must submit an application for FWS (available online at www.snead.edu) to the Financial Aid Office for consideration. Applicants who demonstrate financial need, based on the College's cost of attendance, will be considered for employment. Most students work ten to fifteen hours per week and earn a wage compatible with the Minimum Wage Law or higher. Checks are issued monthly for work performed.

- **Federal Direct Loans**

Federal Direct Loans allow students to meet some of their education cost by borrowing money. Students must apply for these loans each school year by completing the Free Application for Financial Aid (FAFSA-www.fafsa.ed.gov). Loans are awarded based on the level of courses completed in a student's program of study and cannot exceed SSCC established student budget, including other aid. A master promissory note must be e-signed by the borrower to officially document the obligation to repay the loan funds. (www.studentloans.gov) Funds are applied to the student's educational costs and/or disbursed on a federally regulated disbursement schedule. Disbursement amounts will be slightly lower than award amounts as fees are deducted prior to receipt of funds. Each loan recipient must complete Loan Entrance counseling before any

funds can be disbursed. An Exit Counseling is also required for students not returning for course enrollment.

NOTE: Students must be enrolled at least half-time in order to receive federal direct loans.

1. **Federal Subsidized Direct Loans** are awarded on the basis of financial need as established by the FAFSA application. The federal government pays the interest while the borrower is enrolled at least half-time (six credit hours) at an eligible institution and during deferment. Loan eligibility is based on the cost of education, less expected family contribution and other aid the borrower may receive, and federal restrictions (completed Admission file before guarantee is processed, progress as established by federal guidelines, and be in good standing with SSCC). Repayment may be deferred up to six months after the borrower graduates, leaves school or drops below six credit hours. A number of repayment options are available as this loan must be repaid. Interest rates are variable and origination fees are charged at the time of each disbursement.
2. Eligible students can receive the **Federal Unsubsidized Direct Loan** regardless of family income if within federal budget guidelines. Students must complete the Free Application for Federal Student Aid (FAFSA) school year to determine eligibility. The term unsubsidized means that interest does accrue while borrower is enrolled. These loans have a variable interest rate and the interest begins accumulating immediately. A number of repayment options are available as this loan must be repaid. Check the online repayment schedule to determine how much to borrow (www.studentaid.ed.gov). These loans have the same criteria for eligibility as the subsidized loan.

FINANCIAL AID ELIGIBILITY

A student is generally eligible for aid if he or she meets the following criteria.

- Enrolled as a regular student in a degree-seeking program at a postsecondary College approved by the Department of Education,
- Have all required admission documents submitted to the admission's office (transcripts, name change documents, residency forms, etc.)
- U.S. citizen or eligible non-citizen,
- Makes satisfactory academic progress (as defined by the College's Financial Aid Office) in an approved course of study, and
- Not in default on a student loan or owe a refund on a federal grant.

FINANCIAL AID POLICIES/REQUIREMENTS

Snead State Community College is required by the Higher Education Act of 1965, as amended, to establish standards of satisfactory academic progress for students receiving financial aid under the Title IV Programs.

Students who have attempted 1-22 semester hours must have a 1.5 overall GPA and must have successfully completed at least 58% of classes attempted.

Students who have attempted 23-32 semester hours must have a 1.75 overall GPA and must have successfully completed at least 62% of classes attempted.

Students who have attempted 33 hours or more must have a 2.0 overall GPA and must have successfully completed at least 67% of all classes attempted.

Students are only allowed 150% of the programs length to complete the degree or certificate. All hours attempted, as well as transfer hours accepted, will be included in the maximum time frame calculation.

For example, General Studies is 64 credits. You are allowed 150% or 96 attempted credits to complete the program successfully. If you do not complete your program in the allotted time frame your aid will be suspended.

Students are allowed a maximum of 12 semesters of Pell funds over the course of their lifetime. Students enrolled less than full-time will have the maximum allowable time extended proportionately. Students must maintain standards of progress to continue to receive the funds. Students receiving financial aid, who attended under the quarter system and then returned in the

semester system, will have all grades converted to the semester hour credit and then academic progress will be determined. Students will not be penalized if there is a discrepancy between quarter and semester hours.

- All hours accepted for transfer credit by SSCC will be considered as part of the hours attempted for Satisfactory Academic Progress (SAP) completion rate and maximum time frame calculations. Grades of F, W, or I are not accepted as transfer credit and therefore are not included in the SAP calculations for completion percentage or maximum time frame. Transfer hours are not included in GPA calculation for SAP.
- Developmental/Remedial courses that are deemed eligible for financial aid are counted in SAP calculations.
- The following grades earned at SSCC are not considered credit completed but are counted as attempted credit in SAP completion percentage calculations and maximum time frame calculations:
 - F - Failure
 - W - Withdrawal
 - I - Incomplete
- Academic Bankruptcy: Financial Aid regulations do not have a provision for academic bankruptcy; therefore, all credits and grades earned in semesters for which academic bankruptcy is approved are included in financial aid SAP calculations.
- Repeated Coursework: All hours attempted (original and repeated) will count toward the completion rate and maximum time frame for SAP calculations. Grades replaced by the College's Course Forgiveness Policy (see Course Forgiveness Policy in the Academic Standards & Regulations section of this catalog) are not included in the GPA calculation for SAP purposes.

Satisfactory academic progress is monitored after each term. Students who do not meet Satisfactory Academic Progress guidelines at the time of review are not eligible for aid.

Students may appeal in writing to the Financial Aid Office if they can provide documented proof of mitigating circumstances. Mitigating circumstances

are those that are beyond the student's control. The Financial Aid Committee, which is charged with hearing appeals, may waive the satisfactory academic progress requirements if the student has experienced undue hardships as a result of special circumstances. The Financial Aid Committee will meet each term to review the appeals. Submitting a Financial Aid Appeal is NOT an automatic approval. Students will be notified of the decision made by the committee by e-mail/letter.

Treatment of Remedial, Enrichment, and English as a Second Language Courses

A student may receive financial aid for up to 30 attempted remedial credit hours. If this number is exceeded, the student will be placed on financial aid suspension. If the student enrolls in the same remedial course more than three times, financial aid will not apply for any subsequent enrollment(s) in this course.

Treatment of Repeated Courses for students receiving Financial Aid

A student receiving Title IV aid (Pell Grant and Student Loans) may receive aid when repeating a course for the first time.

A student may receive aid when repeating a course that was previously failed or withdrawn from regardless of the number of times the course was attempted and failed (Satisfactory Academic Progress Policy still applies).

A student may receive aid to repeat a previously passed course one additional time. If a student fails the second attempt, no more financial aid will be given to repeat the course a third time. If the second attempt is a withdrawal then it is allowable for a third attempt.

Once a student has completed any course twice with a grade, he or she is no longer eligible to receive aid for that course. If a student retakes a course that is not aid eligible the credit hours will be excluded from the financial aid enrollment for that semester.

- **Return of Title IV Funds**

Students who receive financial aid and later terminate their enrollment, regardless of reason for withdrawal, are subject to the return policy mandated by the U.S. Department of Education. The policy may require students to return funds to the College and to the Department of Education.

A student receiving financial aid who fails *all* classes attempted in the semester is considered an unofficial withdrawal for Title IV purposes and will have funds returned at 50%. (The calculation is based on semester mid-point.)

Any student receiving Title IV Funds (Federal Direct Loans, Federal Pell Grant, and/or FSEOG) who withdraws from the College, officially or unofficially, during the first 60% of the term must return a calculated percentage of those funds to the Department of Education.

The calculated percentage is based on the percentage of the term the student was actually enrolled.

For example, if a student withdrew at the 50% mark of the term, only 50% of aid was earned. Students, who withdraw, officially or unofficially, must return books to the campus bookstore within 20 days of withdrawal. Any student who registers for a class, but does not attend the class, will not be entitled to federal financial aid for the class. If aid has been disbursed when it is realized the class was not attended, the student is responsible for refunding the money and paying tuition for the class. Those students who completely withdraw and have never attended any classes are responsible for all charges

as Federal Title IV funds will not be applicable. Any questions regarding the financial aid award may be addressed to the Financial Aid Office.

- **Release of funds to students**

1. **Pell Grant:** The balance award will be distributed to the student before the 14th day of the term. This will be the amount left in the account after tuition, fees, and bookstore purchases have been deducted. Attendance in ALL classes must be verified before funds will be fully disbursed. Students who register for a class that begins later than the first day of class for the semester cannot receive a refund for that course if the credit hours in the course change the amount of aid a student will receive. Federal regulations require a student to attend the course prior to being paid for the course.
2. **Direct Loans:** Students will receive the balance left in their account after tuition, books, dorm, and bookstore charges have been posted to the account after the 31st day of class in accordance with federal guidelines. Attendance in ALL classes must be verified before funds will be fully disbursed. Students must be **currently attending** 6 credit hours to receive funds.

VETERANS BENEFITS

- **Veteran's Eligibility**

The U.S. Department of Veterans Affairs is the only agency that can determine eligibility and award benefits. A student should contact his/her local Veterans Administration Office in order to determine what benefits he/she is eligible to receive. The veteran can determine the status of his/her award or inquire about any problems with receiving his/her benefits by contacting the VA at 1-888-442-4551 or www.gibill.va.gov.

The Alabama National Guard offers educational assistance for active members of the Alabama National Guard (Army Guard and Air Guard) who are residents of the State of Alabama and are enrolled in degree programs at accredited postsecondary institutions of higher learning located within the State of Alabama. Eligibility requirements are (1) be at least 17 years of age; (2) be an Alabama resident; (3) be an active member in good standing with the Alabama National Guard; (4) be a member of a federally recognized unit of the Alabama National Guard; (5) have completed basic training and advanced individual training; (6) be enrolled in a degree program at an accredited college, university, community college, junior college, or technical college within the State of Alabama; (7) be making satisfactory academic progress; (8) must have the Free Application for Federal Student Aid (FAFSA) on file. Eligibility and award is determined by the Alabama National Guard. Applications can be picked up from the VA Certifying Official.

Any student receiving VA educational benefits is expected to maintain satisfactory progress toward his/her degree. The Academic Standards of Progress are outlined in this catalog. It is the responsibility of the student receiving veterans'

educational benefits to notify the VA Certifying Official of any change in enrollment status (i.e. pre-registration, adding or dropping a class, withdrawing from college, etc.). Failure to notify the VA Certifying Official each semester may delay certification of enrollment, thereby delaying receipt of benefits. Please note that only those courses required for degree completion will be certified. VA benefits will not be paid for courses outside the degree plan. In addition to notifying the VA Certifying Official at the College, a monthly verification of enrollment may be required. This verification must be completed by the student through WAVE or by calling 1-877-823-2378.

12 or more hours	Full-time
9 to 11 hours	Three-quarter time

2. Failure to achieve required grade point average.

Lack of satisfactory academic progress and lack of regular class attendance will be reported to the Veterans Administration. The Veterans Administration will determine mitigating or extenuating circumstances.

- **Requirements of Academic Progress**

To be eligible for veterans’ benefits, students who receive veterans’ benefits must meet the standards of progress requirements applicable to all students at the College.

Any course that a veteran repeats for a second grade will not be replaced with the second grade for computation of the cumulative grade point average for meeting academic progress standards required by the Veterans Administration.
