Signature Date

NOTE: Participation in the Federal Work-Study program is need-based. To determine eligibility, applicants must complete the Free Application for Federal Student Aid (www.fafsa.ed.gov) and have the processed application sent to Snead State (college code 001038). Eligible students can work a maximum of 19 hours per week at a rate of $7.50 per hour. Since positions are limited, each applicant is encouraged to seek a possible location to work on campus as soon applications are submitted. Work-study students will be placed at the McCain Learning Resource Center, the College Bookstore, with various administrative offices (Student Services, Counseling, Testing, Business Office, etc.), and with the instructional divisions (Arts – Fine & Performing, Business, Humanities, Mathematics, Science, Social Science, and Technology). Following the determination of eligibility and placement, all paperwork must be submitted prior to the start of work.

It is the policy of the Alabama State Board of Education and Snead State Community College, a postsecondary institution under its control, that no person shall, on the grounds of race, color, disability, sex, religion, creed, national origin, or age, be excluded from participation in, be denied benefit of, or be subjected to discrimination under any program, activity, or employment.
