• Refunds

Refunds are based on the first official day for the term and are not based on the first class day for individual courses. Before the official first day of class, students will receive a full refund when completely withdrawing from college and dropping a class. During the Add/Drop period, when dropping and adding of individual courses is allowed, students may drop a course and receive a partial refund for that course and its related fees.

After the Drop/Add period ends, students may receive a refund only if they completely withdraw from all classes (both full and mini-term) in which they are enrolled. Refunds for mini terms are based on prorated days. During the first three weeks, refunds for complete withdrawals will be made on the following basis:

• Withdrawal prior to first class day—100 percent of tuition and fees.
• Withdrawal during first week — 75 percent of tuition and fees.
• Withdrawal during second week— 50 percent of tuition and fees.
• Withdrawal during third week— 25 percent of tuition and fees.
• After close of third week— No Refund.

A five (5) percent administrative fee will be assessed for each withdrawal processed within the above refund schedule.

There is no refund due to any student who partially withdraws after the official drop/add period.

A student who officially withdraws after the semester begins may be entitled to a partial refund of room/board charges based on the above refund schedule.

Refunds are computed according to the date the student actually withdraws officially or unofficially and not according to his or her last day of attendance.

Tuition Eligibility

Residency status must be determined upon admission. A student shall be classified according to one of the following categories for the purpose of assessing tuition: Resident Student, Non-Resident Student Eligible for In-State Tuition Rates, or Out-of-State Student. The burden of proof lies with the applicant in determining residency status.

A student's residency status will be presumed for one full academic year of his/her most previous enrollment unless there is evidence that the student subsequently has abandoned resident status (for example, registering to vote in another state). A student failing to re-enroll within one full academic year must establish eligibility upon re-enrollment.

• Resident Student - In-State Tuition

In order to be eligible for in-state tuition, an applicant must meet one of the following criteria:

1. Applicants must have resided in the State of Alabama for at least 12 continuous months immediately preceding application for admission, OR

2. Applicants must be a minor whose parents, parent, or legal guardian of such minor dependent has resided in the State of Alabama for at least 12 continuous months immediately preceding application for admission. If the parents are legally separated or divorced, residence will be determined by the residency of the parent to whom the court has granted custody.

3. Determination of eligibility for in-state tuition shall be made by Snead State Community College by evaluating the presence or absence of connections with the State of Alabama. This evaluation shall include the consideration of the following connections:

• Payment of Alabama state income taxes as a resident;
• Ownership of a residence or other real property in the state and payment of state ad valorem taxes on the residence or property;
• Full-time employment in the state;
• Residence in the state of a spouse, parents, or children;
• Previous periods of residency in the state continuing for one year or more;
• Voter registration and voting in the state; more significantly, continuing voter registration in
the state that initially occurred at least one year prior to the initial registration of the student in Alabama at a public institution of higher education;

- Possession of state or local licenses to do business or practice a profession in the state;
- Ownership of personal property in the state, payment of state taxes on the property, and possession of state license plates;
- Continuous physical presence in the state for a purpose other than attending school, except for temporary absences for travel, military service, and temporary employment;
- Membership in religious, professional, business, civic, or social organizations in the state;
- Maintenance in the state of checking and savings accounts, safe deposit boxes, or investment accounts;
- In-state address shown on selective service registration, driver's license, automobile title registration, hunting and fishing licenses, insurance policies, stock and bond registrations, last will and testament, annuities, or retirement plans.

4. An applicant that has graduated from an Alabama high school or who has obtained a GED in the State of Alabama within three years of the date of his/her application for admission in accordance with the requirements set forth in the Code of Alabama, will be allowed to pay in-state tuition rates. The applicant will be required to provide evidence that he/she has met this requirement.

- Non-Resident Student Eligible for In-State Tuition Rates

A non-resident student, one who does not meet the standard of having resided in the State of Alabama for at least 12 continuous months immediately preceding application for admission, shall be charged the in-state tuition rate if the student satisfies one of the following criteria, or, if the student is a dependent (as defined by the Internal Revenue Code), then the person supporting the student satisfies one of the following criteria under the following circumstances:

- The student or the person(s) supporting the student can verify full-time permanent employment in Alabama and will commence said employment within 90 days of registration; OR
- The student or the person(s) supporting the student is a member of the United States military on full-time active duty stationed in Alabama under orders for duties other than attending school; OR
- The student or the person(s) supporting the student is an accredited member of a consular staff assigned to duties in Alabama.

A student is eligible for in-state tuition if the student resides in one of the following Georgia counties: Chattooga, Floyd, Polk, or Walker.

- Out-of-State Students

An out-of-state student is an applicant for admission who does not fall into one of the categories described for in-state tuition eligibility. The out-of-state student shall be charged tuition at 2.00 times the in-state tuition rate, rounded up to the nearest dollar. Students initially classified as ineligible for resident tuition will retain that classification for tuition purposes until they provide documentation that they have qualified for resident tuition.
A comprehensive program of financial aid to assist qualified students toward their educational goals is offered by Snead State Community College. Through the use of scholarships, grants, federal loans, and student employment, students with limited resources may receive financial assistance to attend Snead State Community College.

Snead State Community College offers a variety of institutional scholarships to students in recognition of their academic achievement, performance ability, and/or financial need. Federal Financial Aid
256.840.4107 | FINANCIALAID@SNEAD.EDU

All Federal Financial Aid requires that the Free Application for Federal Student Aid (FAFSA) be completed. Applications must be completed online at www.fafsa.ed.gov. The college code for Snead State Community College is 001038. Once processed, the applicant will receive a Student Aid Report (SAR) from the Department of Education and an email from Snead State that outlines the next steps a student must take to complete the financial aid process. All applicants should have the application completed as soon as possible, after January 1, for consideration of all available aid. It usually takes about 3-4 weeks to complete the process and sign all necessary forms with the Snead State Financial Aid office.

Grants

1. **Federal Pell Grant** - The Federal Pell Grant is an entitlement from the federal government that does not have to be repaid. Eligibility is based on family income and other factors as determined by the federal government. The amount of an award depends upon the student's eligibility and the cost of attending college.

2. **Federal Supplemental Educational Opportunity Grant** - These grants, commonly referred to as FSEOG, vary in amounts with the minimum award of $100 each year and do not have to be repaid. Federal Pell Grant recipients with extremely low family contributions receive priority.

**Federal Work-Study**

The Federal Work-Study (FWS) program is administered through an agreement between Snead State Community College and the Federal Work Study Program. Those interested in employment must submit an application for FWS (available online at www.snead.edu) to the Financial Aid Office for consideration. Applicants who demonstrate financial need, based on the College's cost of attendance, will be considered for employment. Most students work ten to fifteen hours per week and earn a wage compatible with the Minimum Wage Law or higher. Checks are issued monthly for work performed.
• **Federal Direct Loans**

Federal Direct Loans allow students to meet some of their education cost by borrowing money. Students must apply for these loans each school year by completing the Free Application for Financial Aid (FAFSA-www.fafsa.ed.gov). Loans are awarded based on the level of courses completed in a student’s program of study and cannot exceed SSCC established student budget, including other aid. A master promissory note must be e-signed by the borrower to officially document the obligation to repay the loan funds. (www.studentloans.gov) Funds are applied to the student's educational costs and/or disbursed on a federally regulated disbursement schedule. Disbursement amounts will be slightly lower than award amounts as fees are deducted prior to receipt of funds. Each loan recipient must complete Loan Entrance counseling before any funds can be disbursed. An Exit Counseling is also required for students not returning for course enrollment.

1. **Federal Subsidized Direct Loans** are awarded on the basis of financial need as established by the FAFSA application. The federal government pays the interest while the borrower is enrolled at least half-time (six credit hours) at an eligible institution and during deferment. Loan eligibility is based on the cost of education, less expected family contribution and other aid the borrower may receive, and federal restrictions (completed Admission file before guarantee is processed, progress as established by federal guidelines, and be in good standing with SSCC). Repayment may be deferred up to six months after the borrower graduates, leaves school or drops below six credit hours. A number of repayment options are available as this loan must be repaid. Interest rates are variable and origination fees are charged at the time of each disbursement.

2. Eligible students can receive the **Federal Unsubsidized Direct Loan** regardless of family income if within federal budget guidelines. Students must complete the Free Application for Federal Student Aid (FAFSA) school year to determine eligibility. The term unsubsidized means that interest does accrue while borrower is enrolled. These loans have a variable interest rate and the interest begins accumulating immediately. A number of repayment options are available as this loan must be repaid. Check the online repayment schedule to determine how much to borrow (www.studentaid.ed.gov). These loans have the same criteria for eligibility as the subsidized loan.

**Financial Aid Eligibility**

A student is generally eligible for aid if he or she meets the following criteria.

- Enrolled as a regular student in a degree-seeking program at a postsecondary College approved by the Department of Education,
- Have all required admission documents submitted to the admission's office (transcripts, name change documents, residency forms, etc.)
- U.S. citizen or eligible non-citizen,
- Makes satisfactory academic progress (as defined by the College’s Student Services Office) in an approved course of study, and
- Not in default on a student loan or owe a refund on a federal grant.
- If the student has attempted 33 or more hours they must maintain a 67% completion rate.
- Satisfactory Academic Progress (SAP)

**Financial Aid Policies/Requirements**

Sneed State Community College is required by the Higher Education Act of 1965, as amended, to establish standards of satisfactory academic progress for students receiving financial aid under the Title IV Programs.

Students who have attempted 1-21 semester hours must have a 1.5 overall GPA and must have successfully completed at least 58% of classes attempted.

Students who have attempted 22-32 semester hours must have a 1.75 overall GPA and must have successfully completed at least 62% of classes attempted.

Students who have attempted 33 hours or more must have a 2.0 overall GPA and must have successfully completed at least 67% of all classes attempted.

Students who have attempted 33 hours or more must have a 2.0 overall GPA and must have successfully completed at least 67% of all classes attempted.

Students are only allowed 150% of the programs length to complete the degree or certificate. All hours attempted, as well as transfer hours accepted, will be included in the maximum time frame calculation.

For example, General Studies is 64 credits. You are allowed
150% or 96 attempted credits to complete the program successfully. If you do not complete your program in the allotted timeframe your aid will be suspended.

Students are allowed a maximum of 12 semesters of Pell funds over the course of their lifetime. Students enrolled less than full-time will have the maximum allowable time extended proportionately. Students must maintain standards of progress to continue to receive the funds. Students receiving financial aid, who attended under the quarter system and then returned in the semester system, will have all grades converted to the semester hour credit and then academic progress will be determined. STUDENTS WILL NOT BE PENALIZED IF THERE IS A DISCREPANCY BETWEEN QUARTER AND SEMESTER HOURS.

- All hours accepted for transfer credit by SSCC will be considered as part of the hours attempted for completion rate and maximum time frame requirements.
- Grades of incomplete or F will also count.
- Developmental courses that are deemed eligible for financial aid will count toward SAP calculation.
- Transfer credit is also included in the SAP calculation.

Satisfactory academic progress is monitored after each term. Students who do not meet the Satisfactory Academic Progress guidelines at the time of review are not eligible for aid.

Students may appeal in writing to the Financial Aid Office if they can provide documented proof of mitigating circumstances. Mitigating Circumstances are those that are beyond the student’s control. The Financial Aid Committee, which is charged with hearing appeals, may waive the satisfactory academic progress requirements if the student has experienced undue hardships as a result of special circumstances. The Financial Aid Committee will meet each term to review the appeals. Submitting a Financial Aid Appeal is NOT an automatic approval. Students will be notified of the decision made by the committee by e-mail/letter.

- **Return of Title IV Funds**

  Students who receive financial aid and later terminate their enrollment, regardless of reason for withdrawal, are subject to the return policy mandated by the U.S. Department of Education. The policy may require students to return funds to the College and to the Department of Education.

  *Any student receiving Title IV Funds (Federal Direct Loans, Federal Pell Grant, and/or FSEOG) who withdraws from the College, officially or unofficially, during the first 60% of the term must return a calculated percentage of those funds to the Department of Education.*

  The calculated percentage is based on the percentage of the term the student was actually enrolled.

  For example, if a student withdrew at the 50% mark of the term, only 50% of aid was earned. Students, who withdraw, officially or unofficially, must return books to the campus bookstore within 20 days of withdrawal. Any student who registers for a class, but does not attend the class, will not be entitled to federal financial aid for the class. If aid has been disbursed when it is realized the class was not attended, the student is responsible for refunding the money and paying tuition for the class. Those students who completely withdraw and have never attended any classes are responsible for all charges as Federal Title IV funds will not be applicable. Any questions regarding the financial aid award may be addressed to the Financial Aid Office.

- **Release of funds to students**

  1. **Pell Grant**: The balance award will be distributed to the student before the 14th day of the term. This will be the amount left in the account after tuition, fees, and bookstore purchases have been deducted. Attendance in ALL classes must be verified before funds will be disbursed. Students who register for a class that begins later than the first day of class for the semester cannot receive a refund for that course if the credit hours in the course change the amount of aid a student will receive. Federal regulations require a student to attend the course prior to being paid for the course.

  2. **Direct Loans**: Students will received the balance left in their account after tuition, books, dorm, and bookstore charges have been posted to the account after the 31st day of class in accordance with federal guidelines. Attendance in ALL classes must be verified before funds will be disbursed. Students must be currently attending 6 credit hours to received funds.

- **Benefits for Disabled Veterans and their Dependents**

  The Alabama Department of Veterans Affairs offers financial assistance to eligible dependents (child, stepchild, spouse or un-remarried widow(er) of disabled veterans living or deceased) who were permanent civilian residents of Alabama prior to entry into military service. Special consideration is given to permanently and totally disabled veterans who are residents of Alabama or were prior to their death. Other qualifying categories are former prisoners-of-
war (POW), declared missing-in-action (MIA), and those who died in service. Maximum educational benefits include free tuition, required textbooks, and laboratory fees for four standard academic years or a prescribed technical course at any state-assisted junior or community college, university, or technical school. Dependent children must file an application prior to age 26 (may be extended to age 30 in certain cases). A spouse or widow(er) does not have a filing deadline or age limitation. For more information and application procedures, contact your nearest Veterans Affairs Office located in each county courthouse or you may write to Alabama G.I. Dependents’ Scholarship Program, P.O. Box 1509, Montgomery, AL 36102-1509.

Benefits for Veterans

- **Veteran’s Eligibility**

  The U.S. Department of Veterans Affairs is the only agency that can determine eligibility and award benefits. A student should contact his/her local Veterans Administration Office in order to determine what benefits he/she is eligible to receive. You can determine the status of your award or inquire about any problems with receiving your benefits by contacting the VA at 1-888-442-4551 or www.gibill.va.gov.

  Any student receiving VA educational benefits is expected to maintain satisfactory progress toward his/her degree. The Academic Standards of Progress are outlined in this catalog. It is the responsibility of the student receiving veterans’ educational benefits to notify the VA Officer of any change in enrollment status (i.e. pre-registration, adding or dropping a class, withdrawing from college, etc.). Failure to notify the VA Officer each semester may delay certification of enrollment, thereby delaying receipt of benefits. Please note that only those courses required for degree completion will be certified. VA benefits will not be paid for courses outside the degree plan or for repeat courses for which a satisfactory grade was received. In addition to notifying the VA Officer at the College, a monthly verification of enrollment may be required. This verification must be completed by the student through WAVE or by calling 1-877-823-2378.

A veteran may, under certain circumstances, be awarded credit hours for prior military service. A copy of the veteran’s DD214, with honorable discharge, must be submitted to the Office of Student Services for credit to be granted.

- **Tutorial Assistance**

  Students who are receiving VA benefits and are enrolled in a postsecondary program on a half-time or more basis may receive a special allowance for individual tutoring. To qualify, students must show that they have a deficiency in a particular area, making tutoring necessary, and that the tutor is considered qualified by the College. Students should check with the VA certifying official on the procedure to receive tutoring. Please start this process early because it takes time to go through the Federal VA office for approval.

- **Application for Educational Benefits**

  Application forms are available online at www.gibill.va.gov for veterans who would like to apply for educational benefits. The veteran must furnish a copy of the DD214 and eligibility of award certificate received from the National VA office.

- **Veteran’s Responsibility**

  Financial benefits for a veteran may be discontinued for a number of reasons during the veteran’s eligibility period. Among those reasons are

  1. Failure to attend class regularly,

  2. Failure to achieve required grade point average, or

  3. Dropping courses without proper notification to the Student Services Office.

  Lack of satisfactory academic progress and lack of regular class attendance will be reported to the Veterans Administration. The Veterans Administration will determine mitigating or extenuating circumstances.
• **Requirements of Academic Progress**

To be eligible for veterans’ benefits, students who receive veterans’ benefits must meet the standards of progress requirements applicable to all students at the College.

*Any course that a veteran repeats for a second grade will not be replaced with the second grade for computation of the cumulative grade point average for meeting academic progress standards required by the Veterans Administration.*

For veterans to receive educational benefits through enrollment at Snead State Community College, the following requirements and procedures must be followed:

1. The veteran may register only for courses in the degree program, which has been approved by the Veterans Administration.

2. The veteran must e-mail the Financial Aid Department at financialaid@snead.edu each semester to have their VA account certified online.

3. A veteran who must discontinue a class for whatever reason must officially notify the College of the withdrawal. Official notification of withdrawal must be in person or by letter to the Office of Student Services, Snead State Community College, P.O. Box 734, Boaz, AL 35957. Verbal withdrawal to the instructor or by phone does not constitute official withdrawal. Lack of satisfactory academic progress and lack of regular class attendance will be reported to the Veterans Administration. The Veterans Administration will determine mitigating or extenuating circumstances.
