WHAT ARE FEDERAL DIRECT LOANS?

Beginning with the Fall 2012 semester, Snead State Community College began participating in the Federal Direct Loan Program for all Federal Loans. By participating in the Direct Loan Program, Snead State Community College ensures that you are guaranteed access to student loan funding because dollars are received directly from the federal government. The Direct Loan Program also provides the best borrower benefits available at this time. We believe that the Direct Loan model is easy for families to understand. Having one source for student loan funds reduces confusion and complications for students, provides “one stop shopping”, creates timely loan disbursements, and provides better customer service.

SSCC’S LOAN POLICY REQUIRES STUDENTS TO
1. Meet minimum GPA and completion percentage requirements as defined by the SAP policy in the Snead State Catalog.
2. Maintain half-time enrollment (6-8 credit hours) to remain eligible for the second loan disbursement.
3. Have not exceeded the number of credit hours of their current program of study by more than 150% as defined by SAP policy.
4. Have not exceeded the annual and aggregate loan limits. These limits include outstanding loans received prior to attending SSCC.

● WHO IS ELIGIBLE?
  – Students who are actively enrolled for a minimum of 6 credit hours per term at Snead State Community College.
  – Citizens, permanent residents of the U.S., or permanent residents of an eligible trust territory.
  – Students, not currently in default, or who do not owe a refund on any Title IV Program: Federal Pell, SEOG, ACG, SMART, GWS, Subsidized loan, Unsubsidized loan, PLUS, Perkins, or Consolidation Loan.
  – Students who are maintaining satisfactory academic progress (SAP).
  – Students who have satisfied all admission requirements.

● UPDATE: SUBSIDIZED LOAN LIMITS!
Effective July 1, 2013, federal law limits the benefits of the Direct Loan subsidy to lifetime limit of no more than 150% of program length for new borrowers. Once that limit has been exceeded, a student may borrow only unsubsidized loans, and will begin to incur interest charges on outstanding subsidized loans.

WHAT IS THE DIFFERENCE BETWEEN A SUBSIDIZED AND UNSUBSIDIZED DIRECT LOAN?

THE FEDERAL DIRECT SUBSIDIZED LOAN:

This loan is based on financial need that is determined by using a federal formula. A loan is “subsidized” when the government pays the interest for students during the following periods:

  – while students are enrolled at least half-time;
  – during periods of authorized deferments;
  – during the six-month grace period after the student stops attending school at least half-time.

THE FEDERAL DIRECT UNSUBSIDIZED LOAN:

This loan is not based on financial need and is available to all students regardless of income. Because this loan is not subsidized by the government, the student is responsible for any interest that accrues during in-school, grace and deferment periods. The student may choose to make all interest payments while in school or may defer and accumulate (capitalize) the interest until repayment.

● SOME TERMS OF THE LOAN
  – Fees: Loan fees are deducted from the gross amount of each loan check. The U.S. Department of Education charges a 1% origination fee. **Under sequestration, Direct Loan fees are automatically increased to 1.072% for subsidized and unsubsidized loans disbursed after December 1, 2013.**
  – Repayment: The repayment of principal begins automatically six months after the student drops below half-time attendance.
  – Interest Rate: As of January 1, 2013, for federal Direct Loans first disbursed on or after July 1, 2010 through June 20th, 2011 the interest rate on new Federal Direct Subsidized Loan is 4.5% and Federal Direct Unsubsidized if 6.8%. **This rate is subject to change without notice.**

**Loan Funds**

Snead State Community College (SSCC) Allows students to use their direct loan funds in the following ways:

- to directly pay for tuition and fees,
- to purchase books, and
- to pay for dormitory charges.
**WHAT IS A MASTER PROMISSORY NOTE (MPN)?**

The Master Promissory Note (MPN) is designed to make the loan process simple and straightforward. All new borrowers must complete a new MPN with the U.S. Department of Education. The U.S. Department of Education will use the MPN for the duration of your education at Snead State. Here is the link to the Direct Loan Master Promissory Note site – [www.studentloans.gov](http://www.studentloans.gov).

**HOW WILL MY LOAN FUNDS BE DISBURSED?**

Students will receive the balance left in their account, in check form, after tuition, fees, dorm, and bookstore charges have been posted to the account. The total loan award is for two semesters and will be paid out 50% each semester.

**WHEN WILL I ACTUALLY RECEIVE MY LOAN FUNDS?**

You will receive the balance of your loan after the 14th day of class in accordance with federal guidelines. Attendance in ALL class must be verified before funds will be disbursed. **Students must be currently attending 6 credit hours to receive loans.**

If a student is receiving loan funds for only one semester, the loan funds will be disbursed in two checks during that one term. Half of the loan funds will be disbursed after the 14th day of class and the 2nd half will be disbursed at midpoint.

Loans for first time borrowers will be held for 30 days as per federal guidelines.
