From game time to practice, our athletic trainers are a perfect fit for Parson athletics.

Women’s head coach Jarrod Plummer, Marshall Medical athletic trainer Caine Buff, and men’s head coach Jay Welborn know that a teamwork approach pays off for the Parsons.

From basketball to volleyball to cheerleading, sports injuries happen. But when a game or workout doesn’t work out as planned, student athletes at Snead State Community College depend on TherapyPlus athletic trainers. As a service provided by Marshall Medical at both practice and games, it’s a role we take seriously as your community-owned healthcare system. Athletes love to hit the court. When it hits back, we get them back in the game as quickly – and safely – as possible.

ADAM RHODEN
CHEER COACH
12th Season

[Hometown] Boaz, Alabama
[Degrees] Bachelor’s in Public Relations from the University of Alabama, 2004

Adam Rhoden has been coaching the Parson cheerleading squad since March 2004. After graduating from Boaz High School in 1999, Adam started cheering at Gadsden State. After a year at GSCC, he transferred to Snead State to be part of the nationally-ranked cheerleading program. In 2001, Adam was a member of the cheerleading squad that won the UCA National Championship in the Junior College Division. In the fall 2001, Adam transferred to the University of Alabama. He was a member of the cheerleading squad at Alabama that ranked in the top 3 in the nation from 2002-2004. He graduated from the University of Alabama in 2004 with a Bachelor degree in Public Relations. Since being at Snead State, Adam’s squads have finished as high as second in the UCA competitions, some years even competing against four year universities. Adam is married to Tiffany Rhoden and has three children.

HANNAH BLACKMON
DANCE COACH, 2nd Season

[Hometown] Albertville, Alabama
[Degrees] Associate in Science from Snead State, 2012

Coach Blackmon is in her second season as dance coach of the Snead State Parsonettes. She graduated from Snead State in 2012. She has been dancing her entire life, including 17 years of studio dance and nine years of instructing. She has one daughter, Ava.

ALMA MATER

Dear Alma Mater, thy tow’ring pine trees rise
High on the mountains ‘neath Alabama’s skies.
Work, play and fellowship, our all we share with thee;
Onward you lead us to noble destiny.

Dear Alma Mater, united now we stand,
Proudly to serve thee with heart and mind and hand.
Our voices echo o’er lakes and fields of white;
Our hands in faith we join and follow in thy light.

Dear Alma Mater, thy praise we sing anew;
Always thy virtues will guide us straight and true.
Though we may leave thee, forever say adieu
Still Alma Mater, our hearts belong to you.

COACHING EXPERIENCE
[2014-PRESENT] Snead State

The Jazz Band is under the direction of Mr. Mike McGee. Mike has been a faculty member at SSCC since 2005. The Jazz Band performs at all home basketball games.

FIGHT SONG

Fight on for dear old Snead State
Tradition and honor the same.
Glory, glory to the gold and blue
We will fight for you!

Fight! Fight! Fight!
Stand up and shout for vict’ry.
We’ll cheer ’til the end of time.
The gold and blue is fearless and true
So fight, Snead, fight! Fight, Snead, fight!

COACHING EXPERIENCE

JARROD PLUMMER
HEAD COACH,
8th Season

[Hometown] Greenup County, Kentucky
[Degrees] Associate in Science from Ashland Community College, 2000; Bachelor’s in Math and History from Morehead State University, 2005; Master’s in Secondary Education from Hawaii Pacific University, 2008; Master’s in Math from the University of Alabama, 2013

Coach Plummer is in his eighth season at Snead State. He has sent over 30 players on to 4-year basketball programs. He has made it to the Region 22 tournament every year he has been at Snead State. Additionally, Coach Plummer is a math instructor, Director of Housing, and Director of Intramurals at Snead State.

Prior to Snead State, Coach Plummer was a graduate assistant at Hawaii Pacific University under Head Coach Kelly Wells for one season and Head Coach Darren Vorderbruegge for two seasons. Before moving to Hawaii, Coach Plummer was the Head Student Assistant at Division 1 Morehead State University for five years under former NBA player and Kentucky standout Kyle Macy. He also was the head freshman and assistant varsity/JV coach for two years at Greenup County High School prior to Morehead.

Coach Plummer and his wife, Emily, reside in Boaz. They have a 1-year-old daughter, Annabelle.

DYLAN JOHNSON
ASST. COACH,
1st Season

[Hometown] Alton, Illinois
[Degrees] Bachelor’s in Sport Management from the University of Michigan, 2014

Coach Johnson is in his first season with Snead State.

Dylan joined Snead State from Impact Basketball Academy in Sarasota, Fla. As the High School Head Coach and Director of Player Development of post-graduate student-athletes, he advanced two players on to the NCAA Division 1 level while training athletes from six continents.

Coach Johnson is a 2014 graduate of the University of Michigan in Sports Management and was able to work with both men’s and women’s basketball teams during the summers of UM’s National Champion Runner-up season.

He also served as Freshman Head Coach and Varsity Assistant at Saline High School in Michigan. Coach Johnson brings a range of skill development experience and training with elite high school, college and professional players from around the world.

BOOSTER CLUB  INVESTING IN THE FUTURE OF THE SNEAD STATE LADY PARSONS

Ronny and Janice Brooks  
Stacey and Susie Ledwell  
Gerry Gratton  
Conner and Carolyn Runyan  
Shirley Cryen  
Shoma Beasley
What are your goals for the season? What do you hope to accomplish?

Our goal is most certainly to win the league, be a 20-win team and get to the national tournament. We are continuing to build on to the hard work and foundation we’ve set this pre-season and want to continue our high academic success in the classroom as well.

What are you looking forward the most to this season? Why?

We are extremely excited for this season in general. Not only do we have a plethora of returning players, but we also have several new faces of freshman and sophomore transfers who can contribute right away. We are much deeper this year with a lot more experience.

Which games are you most excited about?

We are excited for the season opener on Oct. 30 at home against West Georgia Tech, where we should draw an exciting crowd. We are also excited to head to Florida in mid-December to face the defending NJCAA national Champions in Chipola, Fla. Conference play should also draw several great matchups.

Do you have any outstanding players you would like to mention?

We have eight returning sophomores who all gave us significant minutes this past season. We bring back Jasmine Richardson, a guard who led the ACCC in scoring this past season at over 17 ppg. We also bring back one of the top forwards in the conference in Danielle Jordan who averaged just over 16 ppg. in conference play.
Last season, the Lady Parsons finished the court after being bounced in a close game in the second round of the Region 22 Tournament to the no. 1 seed. Hard work and an ability to focus on details are important staples of the program that we will continue to carry on. We were able to produce a second team all-north region player in Jasmine Richardson, who led the ACCC in points per game this past season.

Off the court, our high academic standard as a school and as a team was reflected in our overall 3.3 team GPA. We were blessed to have five of our players inducted into Phi Theta Kappa Honor society. Additionally, giving back to the community is always an important part of what we do. For the past five years, we have frequently worked with the St. Paul Methodist Church’s “Circle of Friends” (for special needs people in our community), and we have help prepare Group Homes of Guntersville for their Special Olympics games in Montgomery each year.

Last season, the Lady Parsons finished with a 5-24 record. We finished the year with a great win against a Wallace-Selma in the first round of the region 22 tournament, and a close battle with Shelton State, which ended in their favor. We have eight returning sophomores who all gave us significant minutes this past season and will lead us with their experience. We also have several new faces who add a great amount of excitement and personality to this year’s team.

A Parson is a holy person who teaches independently of a larger organization, like Paul from the Bible. Oftentimes known as a character from Chaucer’s The Canterbury Tales, the Parson recites a sermon on the subject of sin and penitence. Since it is the final story of the book, many critics argue it as best. In context of this institution, it represents the individual integrity and courage to be independent that we all try to embody here at Snead. Moreover, the Parson symbolizes the fervor necessary to persevere in the face of great adversity. Snead State’s history dates back to 1898, when Snead State was a seminary school.

What sets Snead State apart from the rest? It could be the knowledgeable faculty & staff; it could be the challenging curriculum; it could be the active on-campus student life; or it could be the flexibility of on campus or online classes. See for yourself what sets us apart!
Since becoming the Head Coach at Snead State in May 2012, Coach Welborn has led the Parsons to at least the first round of the Region 22 ACCC tournament while playing one of the toughest schedules in the country each of his first three seasons. During the 2014-15 season, the Parsons finished conference play with the highest conference win total in over five seasons. Over his three-year tenure at Snead, 26 student athletes have graduated and had offers to continue their education and playing careers at the four-year level with six going on to play at the NCAA D1 level, another 15 receiving NCAA D2 offers, and five receiving NAIA offers.

Coach Welborn came to Snead State from Samford University in Birmingham where he served under the title of Director of Basketball Operations for both the men’s and women’s programs. In the position, he helped in all aspects of the competitive Division I programs - including recruiting, scheduling, opponent film breakdown, travel, and game planning. Before taking the position, Welborn also served two stints as an assistant coach for the men’s basketball team at Samford University and Huntingdon College. In all, Coach Welborn has spent 14 years at the NCAA DI level and one year at the NCAA DIII level prior to his first head coaching opportunity at Snead State.

Originally from Arab, Coach Welborn graduated from Arab High School before attending both Auburn and Samford Universities. He earned his Bachelor of Arts in Religion from Samford University, 2001; Master of Theological Studies from the Beeson Divinity School at Samford University, 2004.

Coach Welborn is in his fourth year at the helm of the Parsons. He and his assistant coaches produce a program that is committed to the holistic development of their student-athletes. Welborn has been coaching basketball for over 20 years, including five seasons as Varsity Boys Basketball at Boaz High School. For the last three years, Jeremiah has been an assistant coach at Snead State, and for the last two years, he has been the Head Developmental Team Coach.

Jeremy is married to Leah Patterson. They have two children - Maddux (10) and Maggie (8).

Coach Patterson graduated from Boaz High School in 1992. After high school he attended Snead State for two years before transferring to Jacksonville State University. Jeremiah received his Bachelor of Science from JSU in 1997.

Jeremiah has taught P.E. and coached basketball for the last 19 years since graduating from JSU. He has coached all levels of basketball in those nineteen years including five seasons as Varsity Boys Basketball at Boaz High School. For the last three years, Jeremiah has been an assistant coach at Snead State, and for the last two years, he has been the Head Developmental Team Coach.

Dylan joined Snead State from Impact Basketball Academy in Sarasota, Fla. As the High School Head Coach and Director of Player Development of post-graduate student-athletes, he advanced two players on to the NCAA Division 1 level while training athletes from six continents.

Dylan Johnson is in his first season with Snead State. He also served as Freshman Head Coach and Varsity Assistant at Saline High School in Michigan. Coach Johnson brings a range of skill development experience and training with elite high school, college and professional players from around the world.

Jeremy Roden, a three time Men’s Basketball letterman at Huntingdon College, is in his first year with the Parsons. Coach Roden is a former high school girls basketball coach who currently works full time for Liberty University as an Instructional Designer. Coach Roden holds a B.A. in Biology from Huntingdon College and a Masters of Divinity from Liberty University. Coach Roden is married to Cydney Roden, and they currently live in Sardis City.

### 2014-15 Season Recap with Coach Welborn

The Snead State Parsons finished last season with a 9-18 record, but records can be deceiving.

The Parsons again played one of the toughest non-conference schedules in the country. At the half way point of conference play, the Parsons found themselves sitting in first place in the league standings after exciting wins over rivals Shelton State and Lawson State. However, injuries took their toll, and the Parsons fell to sixth place at 5-7 in the league but only two games out of second. Although shorthanded, the final five games all came down to the last possession of the game including one overtime defeat in the first round of the conference tournament.

Off the court, the Parsons again participated in community service by volunteering at Corley Elementary School to read to the kids every Friday. Seven of the 13 Parsons sophomores ended up at the four year level playing basketball on scholarship.

### 2015-16 Season Preview with Coach Welborn

**What are your goals for the season? What do you hope to accomplish?**

Our goal is to win the ACCC and advance in the NJCAA Tournament while graduating every player sophomore within our program. We believe we have players who are unselfish enough to win a championship here at Snead.

**What are you looking forward the most to this season? Why?**

The 2015-16 season brings a sort of reset to our program. Last year, we basically returned everyone from the previous season. But this year, we have only two returners who contributed in our main program. As a result, we have brought in many extremely talented student athletes who we believe can compete at a very high level and help us achieve a championship level on and off the court. That is what I am most looking forward to this year. With this many new student athletes, it brings a breath of fresh air into the program and allows us to build on the foundation set by last year’s group.

**Which games are you most excited about?**

We will once again play one of the most competitive non-conference schedules in the country. We will play Motlow twice, and they have one of the top rated players in all of junior college basketball. We play the defending national champion Northwest Florida State on their home court. We also play the only team to beat Northwest Florida State last season in Gulf Coast Community College. Our league games are the most exciting and important of the year. We are looking forward to adding to our conference win total from a season ago and trying to win the conference title.

**Do you have any outstanding players you would like to mention?**

Cortlin Davis is returning for us after an outstanding freshman campaign. He averaged 12.2 points per game, 5.3 rebounds per game, 2.1 assists per game, 1.1 steals and 1.3 blocks per game in an extremely successful 18 starts as a freshman. Austin Sanders was our sixth man by the end of last season. He returns bigger, stronger, and with much more confidence. In his two starts last season, he averaged 14 points per game, 4 rebounds, and 2 assists. Other than that, we have a bunch of freshmen and transfers who we are counting on to gel and grow together with our returners. I am extremely excited for what this year has in store for our team.
