***includes textbook, materi-***  
***als/supplies, exam fees, CPR***  
***and immunizations***

This comprehensive program is designed to allow students to become trained as a Clinical Medical Assistant. The clinical medical assistant program prepares students to work in many of the administrative/clerical and medical assistant clinical positions in the healthcare industry. Instruction covers important information on anatomy and physiology, medical terminology, clinical knowledge to include blood pressure checks, using a stethoscope, urine analysis, basic insurance billing aspects, medical ethics, customer service and legal aspects. Students will also learn EKG basics and be prepared to collect blood, and other specimens, from clients for the purpose of laboratory analysis and become familiar with all aspects related to blood collection and develop comprehensive skills to perform venipunctures completely and safely, as well as BLS for Healthcare certification. In addition to classroom hours, the program includes on-site job shadowing and clinicals through Marshall Medical Centers - which is required for certification. Upon completion of the program, students will obtain a National Career Readiness Certificate (CRC) and sit for the Certified Clinical Medical Assistant (CCMA) and the Certified Phlebotomy Tech (CPT) exams given through NHA (National Healthcareer Association).

\*Financial Aid: WIOA & Veterans Educational Benefits Program\*

\*Background check required for program entrance -Clean drug screen required for continued enrollment.

\*Cost: \$39

\*This program is hybrid utilizing both face-to-face and online instruction. Students are required to have access to internet, laptop/desktop and have proficient computer skills.

\*WIOA funding will not cover the cost of an electronic device such as laptops, desktops, tablets, etc.
